This Amendment and Response is being filed in response to the Office Action mailed 12/31/02. Applicant respectfully requests a five-month extension of time. Please charge the small entity fee of \$985 for the five-month extension to Deposit Account No. 09-0946. Applicant acknowledges the restriction requirement. Applicant respectfully responds below to the restriction requirement without traverse. To begin with, Applicant cancels claims 1 – 37. However, Applicant hereby expressly reserves the right to prosecute claims 1 – 37 and similar or related claims in continuation and/or divisional applications. Applicant wishes to add new claims 38 - 81. In connection with the restriction requirement, Applicant has designated below in which group each claim appears to belong to.

IN THE CLAIMS:

Please cancel claims 1 – 37 and add claims 38 - 81 as follows:

--38. A method for determining susceptibility of a patient's thymus to activation comprising:

- a) disrupting sex steroid mediated signaling to the patient's thymus; and
- b) assessing the level of an indicator of thymic activation in the patient.
